

Kleurencatalogus

Versie 1.0 (2021)

Beste cliënt, ouder, therapeut,...

Onze vernieuwde kleurencatalogus bestaat uit 2 grote delen.

Deel 1 helpt jullie verder in het samenstellen van (been)ortheses.

Deel 2 omvat de keuzemogelijkheden in het afwerken van zit-, sta- en ligortheses.

Dit exemplaar is een proefversie, wij horen graag uw commentaar, opmerkingen en tips!

Veel succes bij het kiezen!

1) Kleine Orthesen

(beenspalken, armspalken, korsetten,...)

Hieronder vindt u enkele foto's van voorbeeldspalken. Deze dienen ter ondersteuning in het keuzeproces.

Via de nummering van 1 tot 3 ziet u welke materialen, kleuren en/of prints waar gekozen kunnen worden.

Legende nummering:

1) Harde schelp (plastiek of gieting met lycra)

2) Onsteam (buitenkant leder)

3) Dinamica (kuit, tong, zool en riemen)

Opmerking: bij knie-extensie-apparatuur is de keuze voor de harde schelp beperkt t.e.m. nr. 72 (geen individuele tekening mogelijk).

Tip!

Volg ons op instagram

"Orteam9140" en vind hier heel wat inspiratie terug.

Tenslotte nog even dit...

... u kan uw keuzes doorgeven aan uw verstrekker, therapeut of door te mailen naar info@orteam.be

... heeft u zelf een leuk voorstel voor een nieuwe print? Stuur gerust door naar info@orteam.be

(Vergeet niet de naam van de patiënt/belanghebbende te vermelden!)

Rijglaarsjes met vetersluiting en wreefriempje.

Kniestrekker met statisch scharnier.

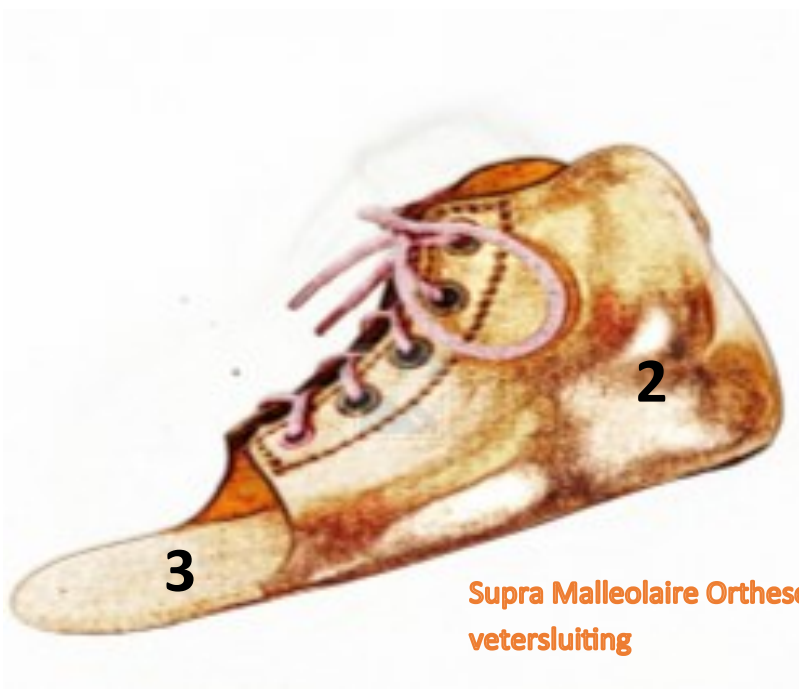

Leafspring met vetersluiting en wreefriempje.

Ankle Foot Orthosis (AFO) met gearticuleerde enkel. Deze scharnietjes zijn veel smaller dan vroeger en dus veel subtieler zodat ze makkelijk in een schoen passen. Achteraan is een “web” mogelijk om de dorsiflexie te beperken/controleren.

Leafspring met veter-sluiting en extra wreefriempje

Supra Malleolaire Orthese (SMO) met vetersluiting

Rijnlaarsje

Leafspring met vetersluiting en extra wreefriempje. Dit is handig bij het aandoen indien veel spanning aanwezig.

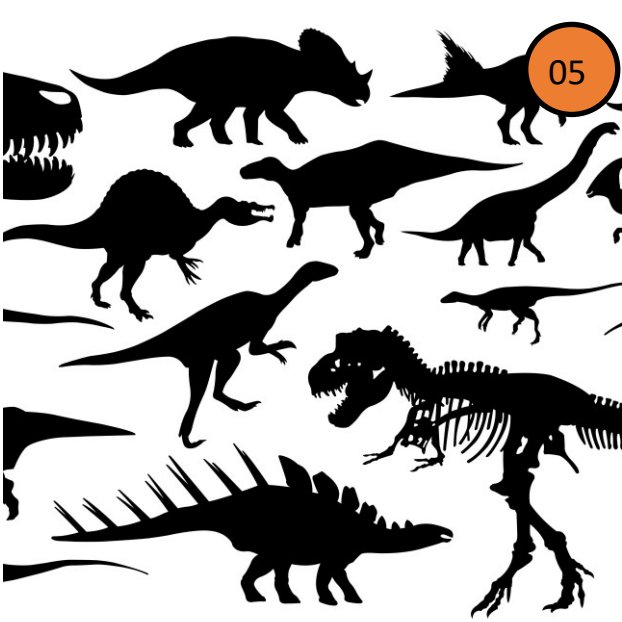

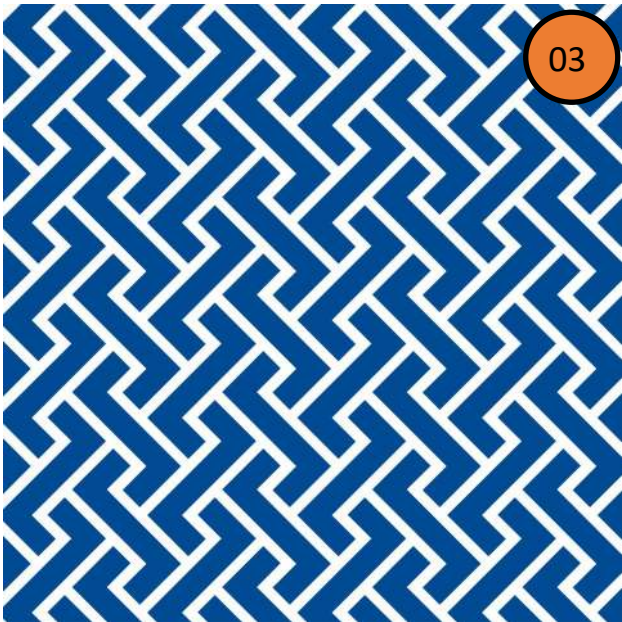

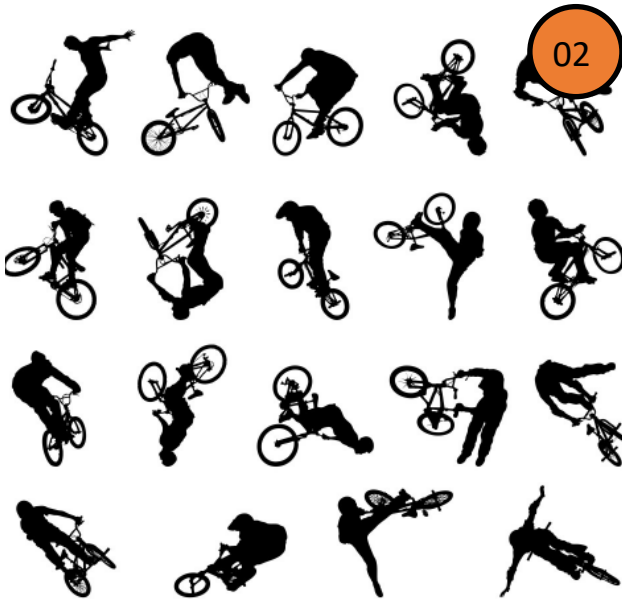

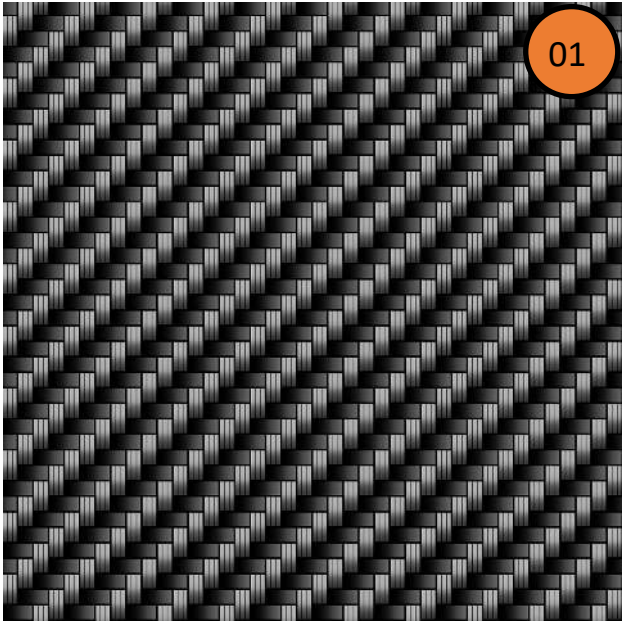

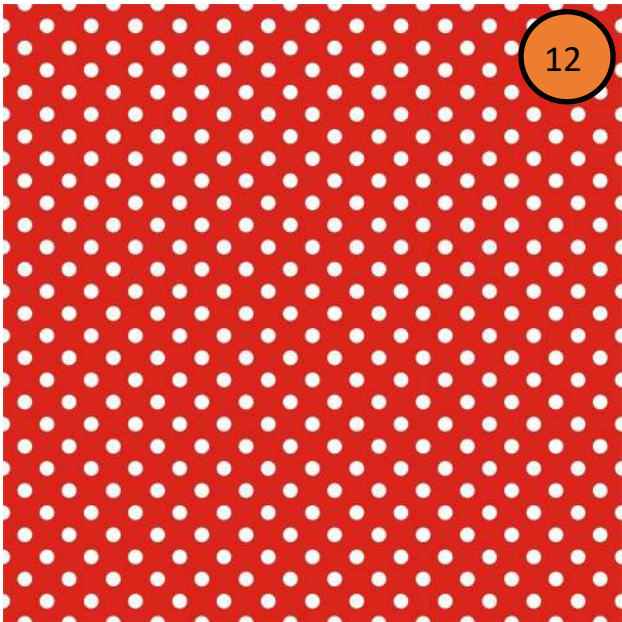

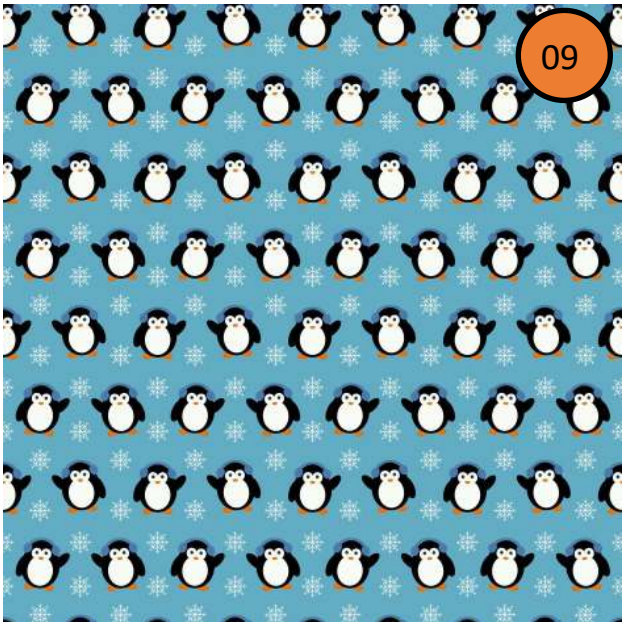

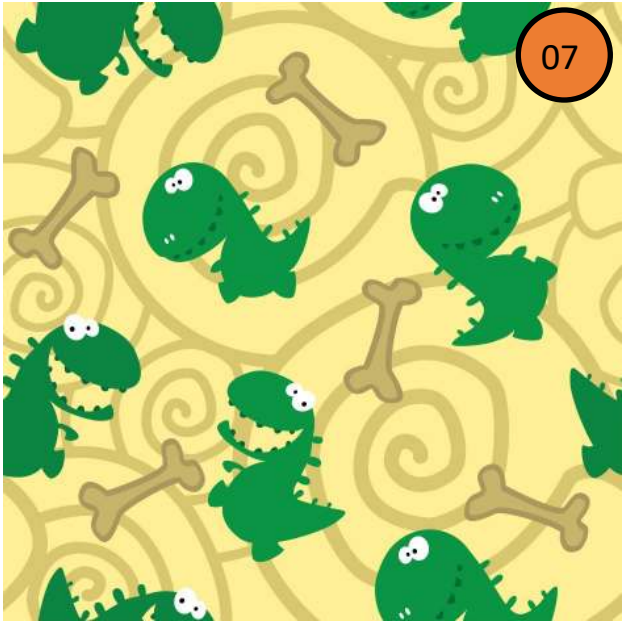

Leafspring met lederen botje, kort type. Sluiting velcro met passant.

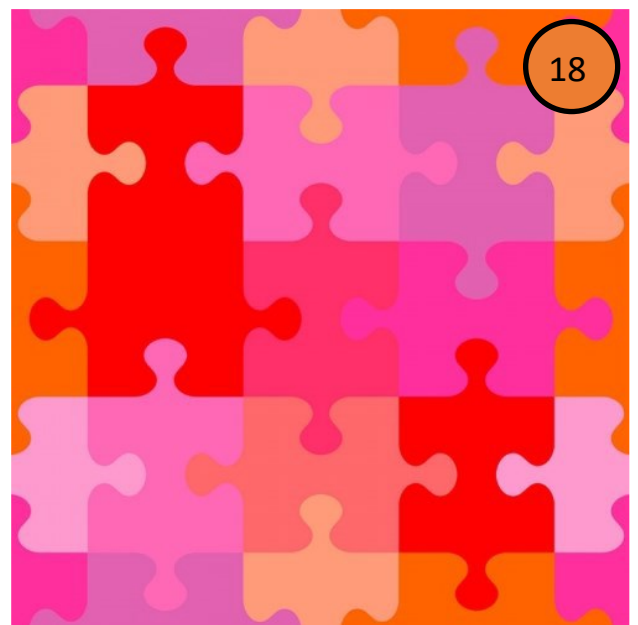

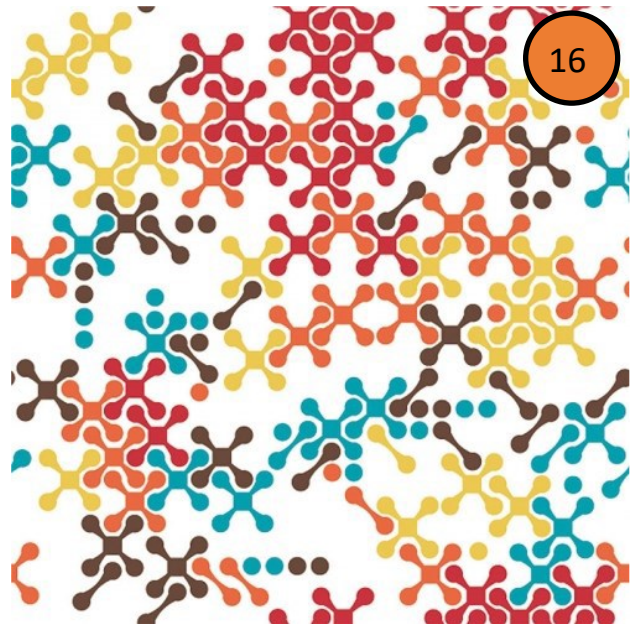

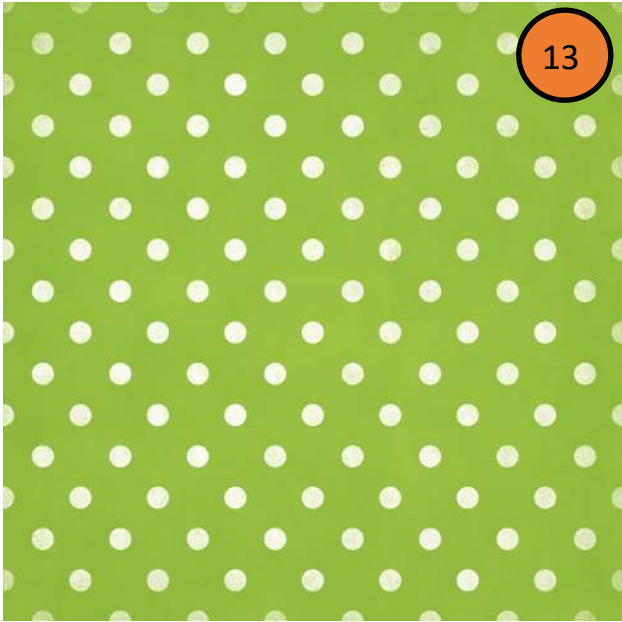

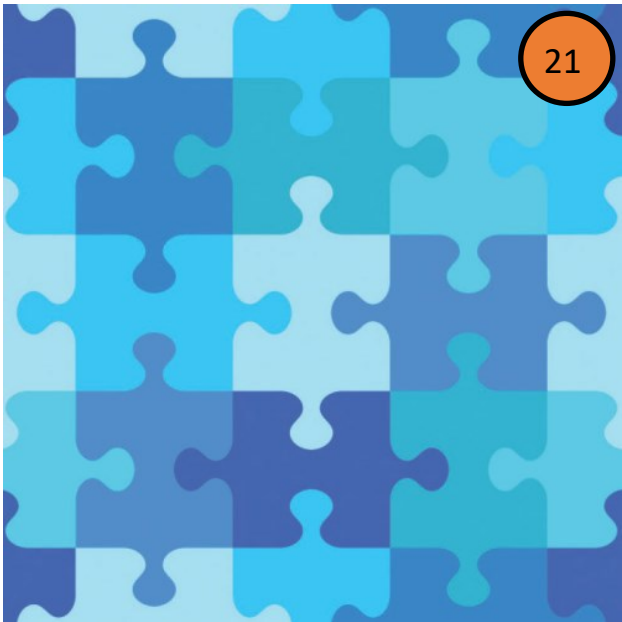

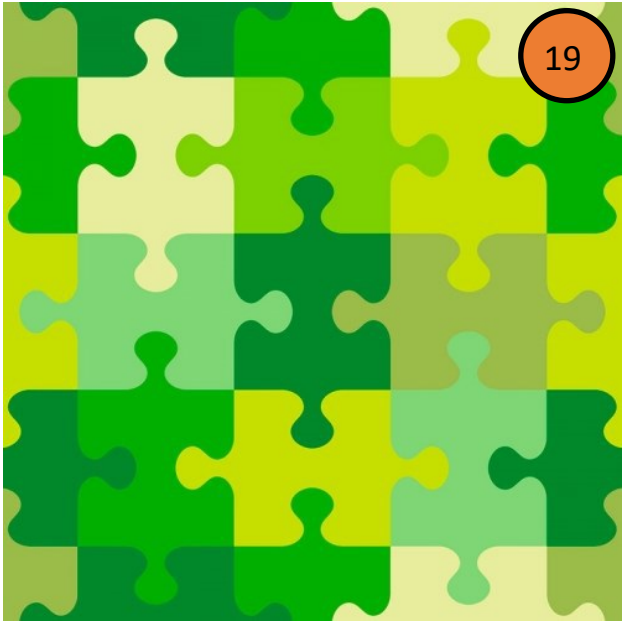

Supra Malleolaire Orthese (SMO) met korte botjes en velcro sluiting

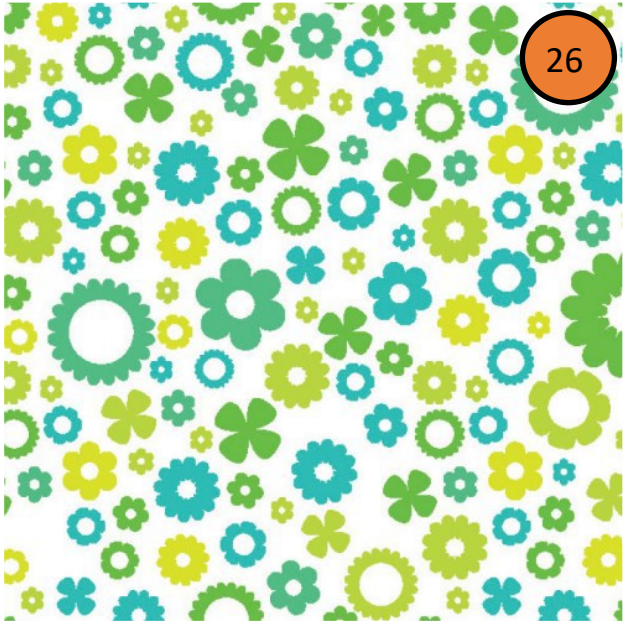

Kleuren plastic en lycra

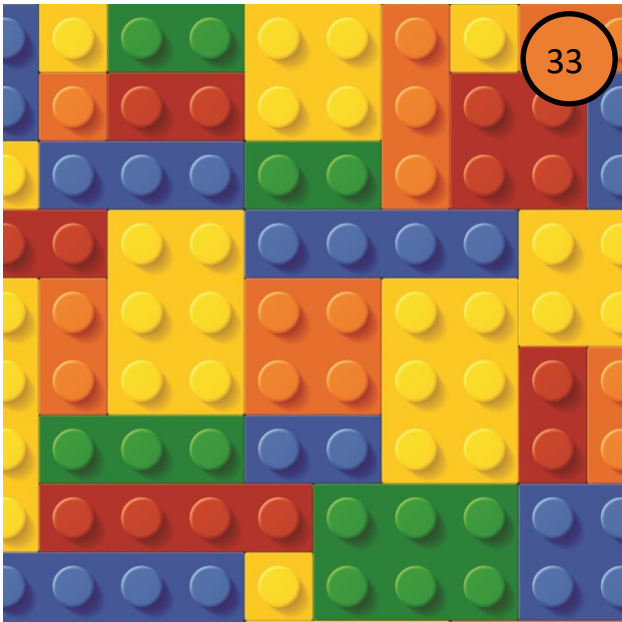

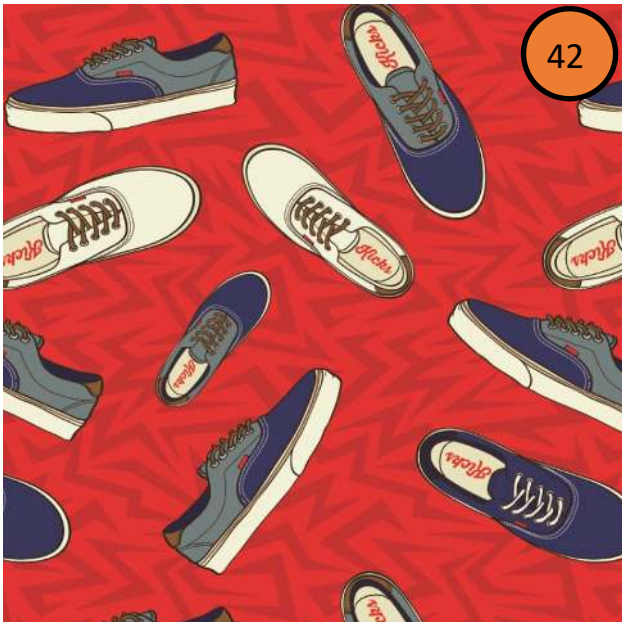

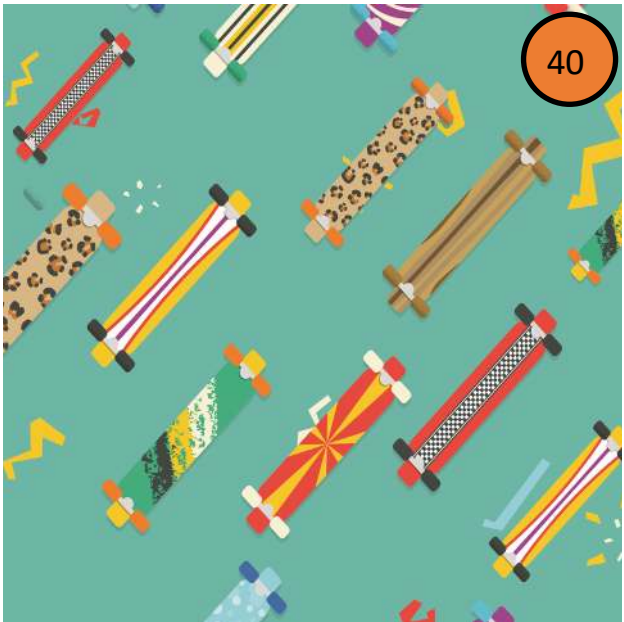

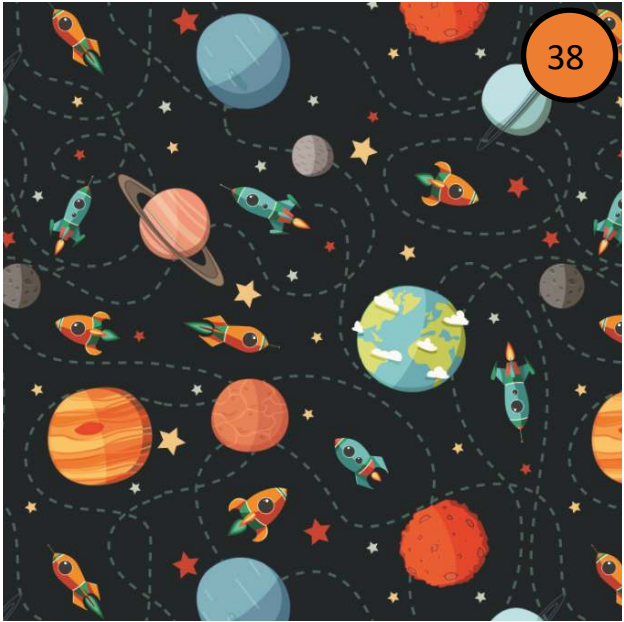

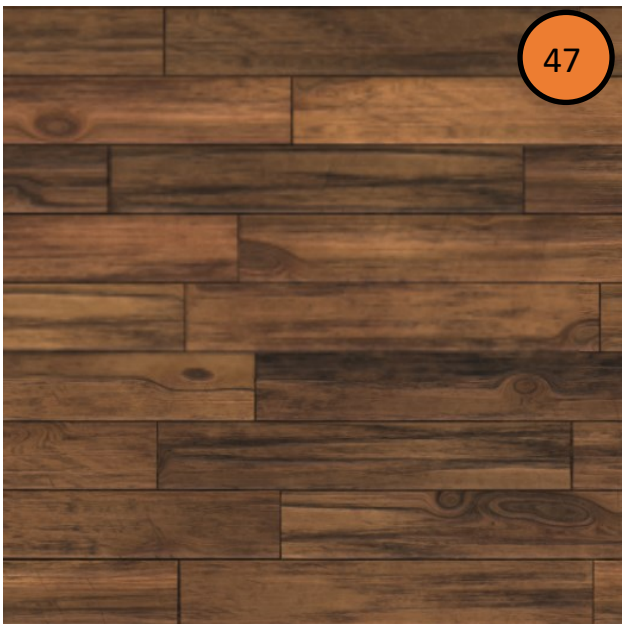

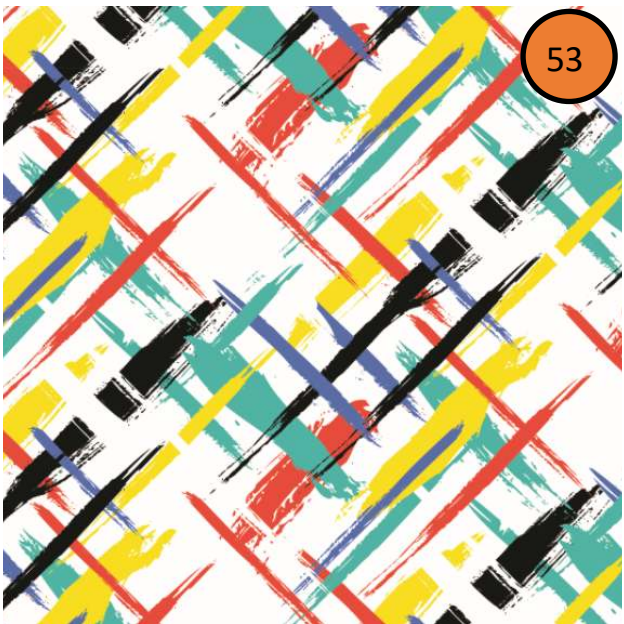

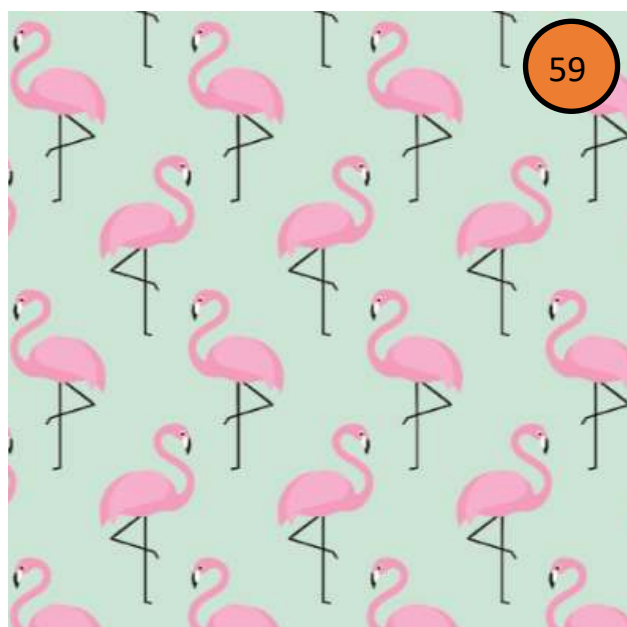

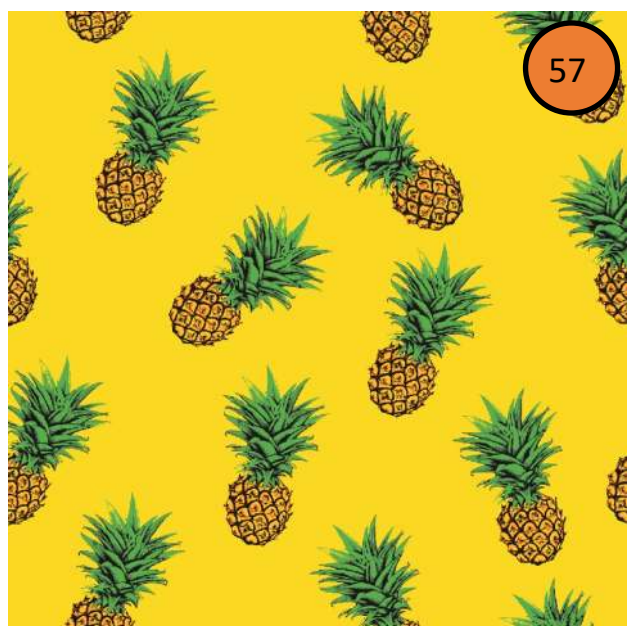

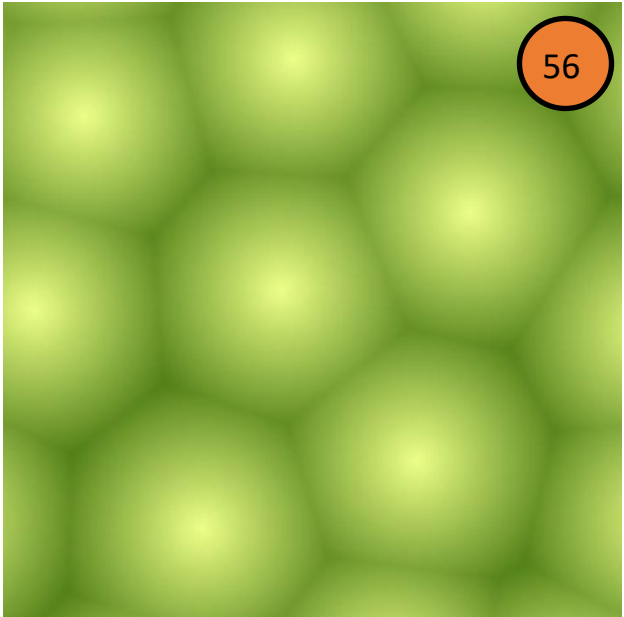

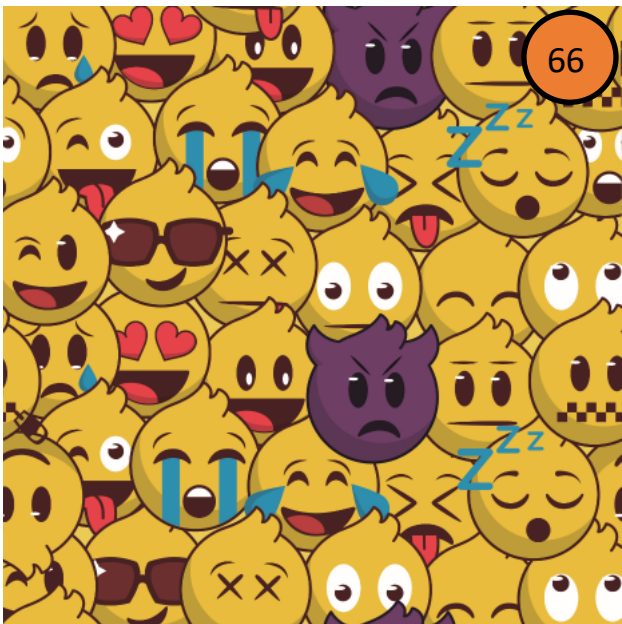

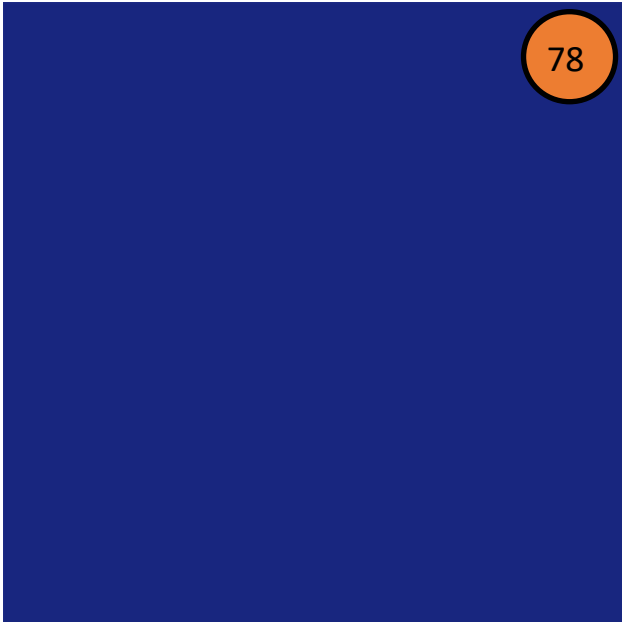

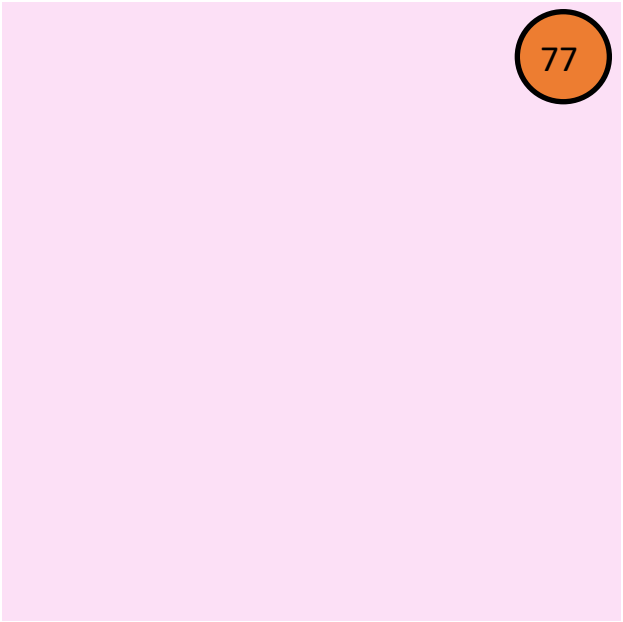

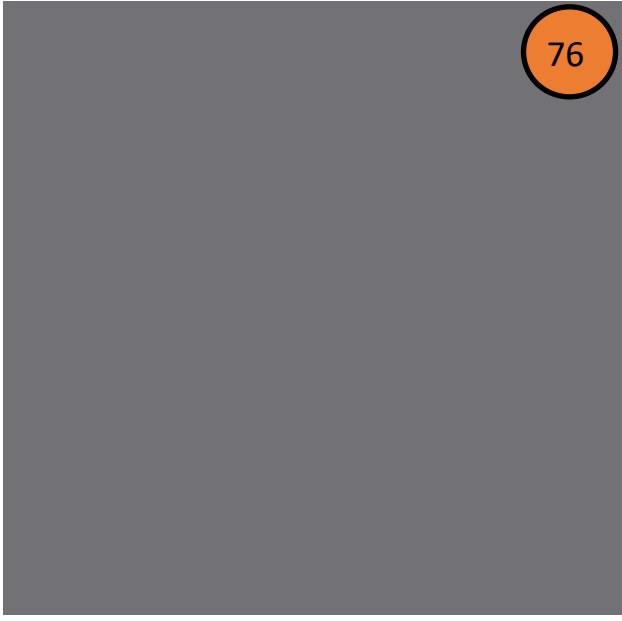

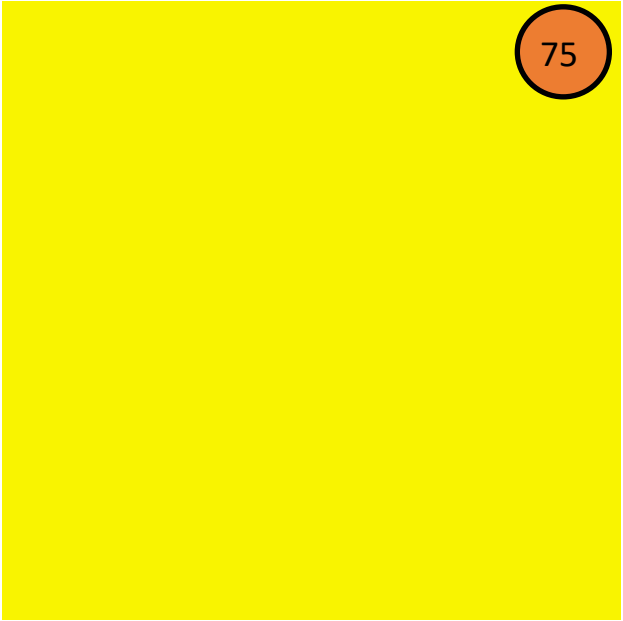

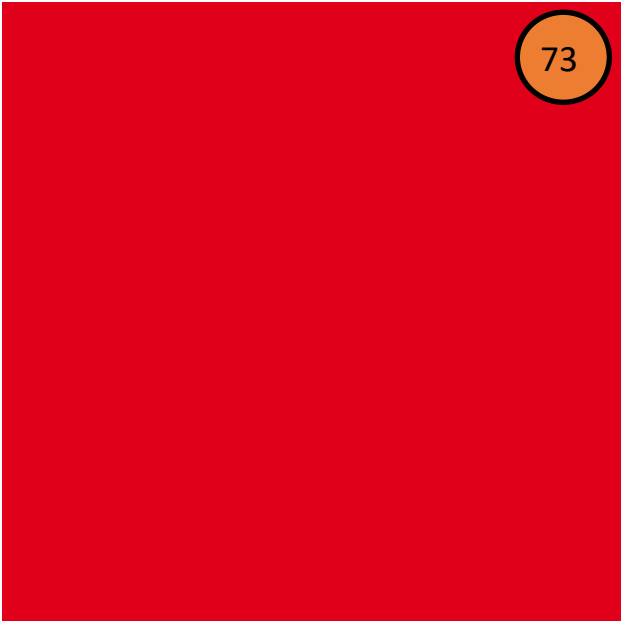

Enkel plastiek

2) Zit– sta– en lig-orthesen

(matrassen, zitschalen, relaxen, sta-apparatuur,...)

A. Zitschelp, relaxorthese en sta-apparaat

Ook in dit deel van de catalogus vindt u eerst enkele voorbeeldfoto's (met nummering) terug ter ondersteuning in het keuzeproces.

Legende nummering:

- 1) Kleur(keuze) randen
- 2) Kleur(keuze) binnenzijde

Opmerking: bij zitschalen en sta-apparaten kun u kiezen tussen (meubel)leder OF 3D-stof als afwerkingsmateriaal. Relaxortheses worden steeds in 3D-stof afgewerkt.

Leder:

Makkelijk en snel oppervlakkig afwasbaar

Niet-machinewasbaar

3D-stof:

Machinewasbaar (op 60°C) + snel drogend

Meer zitcomfort bij warm weer

B. Ligorthese (matras)

Deze worden in badstof en in éénzelfde kleur afgewerkt. Er worden wel steeds 2 hoezen gemaakt, dus in die zin kan er voor 2 verschillende kleuren gekozen worden.

Tenslotte nog even dit...

... voor de keuze van een tekening of naam op de zit-, sta- of lig-orthese verwijzen we u graag door naar de bijgevoegde borduurcatalogus.

... u kan uw keuzes doorgeven aan uw verstrekker, therapeut of door te mailen naar info@orteam.be

Sta apparaat afgewerkt met 3D stof

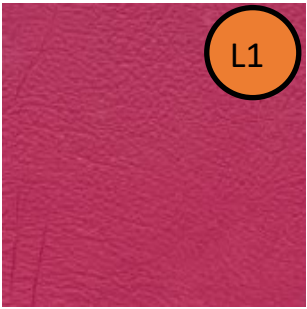

Zitschelp op kameronderstel afgewerkt in 3D stof

Zitschelp afgewerkt in leder

Relax afgewerkt in 3D stof
